Send Juliet to school

As part of Women's Week the children of Kenmont would like to sponsor a girl to go to school. Education is not available to all children and this is particularly the case for girls. Actionaid is an international charity changing lives for the women and children. Juliet lives in Nakonde, in Zambia and she is 10 years old. On Monday 5th March, the children can wear either green or purple home clothes and make a suggested £1 or more donation. After school, please support the children in their fundraising activities, each year group has an activity organised to raise as much money as possible so that we can at the very least fund Juliet's schooling for one year or even more. Please give generously to support a worthy cause.

Change lives. **For good.**

Thank you to staff that braved the weather conditions despite severe transport delays, cancellations and dangerous gridlocked roads this week.

Children's wallet found

containing money

A child's wallet was found two weeks ago in the stairwell and contains a large amount of money. No one has come

forward to claim the wallet and we are concerned that the child may not have told their parents that they brought the money to school.

If you know your child has money saved, please check at home that it is still there.

If you think that the wallet belongs your child then please visit the office to give a description of the wallet and the amount enclosed so that it can be returned.

Homework

Homework is sent home with children on Wednesdays and due in the following Monday. Children should also be reading every evening.

Please check your children's bags for the homework which children can complete themselves. If they need any help then they should speak with their teacher.

PTA Meeting
