## **Head lice**

We have been informed that there has been an outbreak of head lice within a KS2 class. Parents need to check their children's hair regularly for lice as part of their family's normal personal

hygiene routine. If head lice are found then parents need to take swift action.

If you would like further information or advice please visit the website [www.onceaweektakeapeek.com](http://www.onceaweektakeapeek.com). Your local pharmacy should also be able to help if you have any questions or concerns.

Please let your child's class teacher or the school office know if you suspect that there are further cases which we would need to inform parents about.
