Year 6 SATS

Next week, Year 6 will sit their SATS in spelling, punctuation and grammar, reading and maths. They have worked very hard; however, there is something else very important that we should remember:

The SATS do not assess all of what makes them special and unique. The people who create these tests and score them do not know each of the children as we do.

The scores that they will get from these tests will tell something, but they will not tell everything. There is no way to 'test' all talents!

A famous philosopher once wrote:
"Educating the mind without educating the heart is no education at all"

Good Luck to Year 6 from all staff.

As Ramadan approaches we would like to know

if your child/children will be fasting and/or praying. It is important for us to know so we can make arrangements for school lunches, prayer sessions and PE lessons. If your child will be fasting and/or praying please visit the school office.
