Friday 20th April 2018

Lost Property

At the end of each week, the lost property area is full of items, making the entrance to the school look very untidy. Please remind children to look after their property and use the lockers provided. We ask that all clothing and bags brought in to

school have names clearly written on them. The Year 5 office helpers will return items with names on them each day.

NO NUTS IN SCHOOL

We have children at Kenmont with **severe** nut allergies, we therefore request that no nuts, or products containing nuts are brought in to school. This includes Nutella and Nakd fruit bars.

Collection from school

Polite reminder: If someone different will be collecting your child from school, please phone the school office before 12noon on the day. If the class teacher has never met the adult collecting your child then please give the office a 'password'.

Parent Volunteer Day

On Monday 21st May between 6-8pm if you are able to volunteer to help maintain the school with odd jobs such as painting and gardening your time would be gratefully received. Please let the school office know your contact details and special skills that you may be able to share! Many thanks in advance.

Certificates

Nursery: Rudina

Reception: Mario

Year 1: Katie

Year 2: Mason

Year 3: Sofia

Year 4: Fatima

Year 5: Whole class

Year 6: Whole class

Summer has arrived...

Sun hats

As the weather starts to get warmer, we ask that children come to school with sun hats and that sun protective cream is administered before school on sunny days. Children are welcome to bring sun protective cream to school which can be kept in their locker, however staff cannot administer the cream.

Water bottles

Please provide your child with a water bottle that can be kept in their classroom.

Summer dresses

Children are welcome to wear green and white summer dresses to school.

Footwear

Flip flops cannot be worn to school.

Children can wear well strapped sandals like the ones in the picture, they must have a supportive back and with a solid sole for health and safety reasons.

Midsummer Night's Dream

On 27th April, Infinite Jest, who run drama-based workshops and produce Shakespeare shows for primary aged children will be visiting Kenmont to perform a Midsummer's Night's Dream for children in Years 1, 2, 3, 4 and 6.

We are asking for a contribution of £2 which can be paid on ParentPay under the payment item 'Midsummer'.

Date for your diary

School class photos
Thursday 7th June.

Top tips for teeth

change
4 life

Tip 1 Be sugar smart

Avoid sugary food and drink before bedtime. They should be consumed less often and only at mealtimes. Try sugar free, diet or no added sugar drinks. Remember, plain water or lower fat milks are best.

Tip 2 See the dentist

It's free for kids under 18 to visit NHS dentists, so make sure you take them regularly.

Tip 3 Brushing twice is nice

Make sure your kids clean their teeth twice a day with a fluoride toothpaste. Help them brush once before bed and once at any other time that suits you and your family.

Ask your dentist for more top tips.

Download the Change4Life Food Scanner app to find out what's in your food and drink.
