**\*\*NO NUTS OF ANY TYPE IN SCHOOL\*\***

Despite numerous reminders, children are still bringing food items containing nuts in to school. We cannot stress enough that we have children at Kenmont with severe nut allergies. No nuts, or food products containing nuts, are allowed to be brought in to school. This includes all fruit and nut bars e.g. Nakd, Nature Valley, Alpen and Eat Natural. This also applies to after school clubs where children might be provided with snacks.

Any food items found that contain nuts will be confiscated.

**Tuesday 1<sup>st</sup> May 2018, 9am**

**Mindup workshop for parents**

The Mindup trainers will be sharing the purpose of the programme, the charity and what it stands for and explore some techniques. For more information please visit <https://mindup.org/u-k/>

## **Midsummer Night's Dream performance**

Today children in Years 1, 2, 3, 4 and 6 were treated to a performance of Midsummers Night's Dream by Infinite Jest, who run drama based workshops and Shakespeare performances for primary aged children.

As I am sure you are aware, schools have had major cuts in their budgets. In order for these types of opportunities to take place we ask parents for small contributions. On this occasion we asked for a donation of £2, sadly only £89 was donated out of a possible £272.

Thank you to the parents who did donate  
We will leave the payment item open on ParentPay in the hope that parents who haven't yet donated will be able to make a payment. Thank you.

Polite reminder: Sweets and chewing gum are not allowed in school.

## **Medical evidence for absences**

Absences of three days or more for illness will only be authorised if medical evidence is submitted on return. Medical evidence could be a GP note, hospital discharge letter, appointment card or a prescription.

**REMINDER: School is closed on Thursday for polling day**
