HealthyMe

Can you help?

This year, to apply for the Healthy Schools Silver Award, Kenmont will have a Healthy Me project.

Autumn term will focus on healthy food choices, spring is mental health and summer is physical exercise. If you are able to share your skills and talents we would like to hear from you. We are putting together a working party, if you would like to help, then please let Ms Kearns or the school office know.

Kenmont is proud to be part of the National School Breakfast Programme supported by the charities Family Action and Magic Breakfast. Our paid childcare will continue from 7.30am but we will be offering a free breakfast to children arriving after 8.15am. Children must be accompanied by a responsible adult and we would like to encourage the children to read and share breakfast together from 8.15 onwards.

We will launch this on Monday 12th November, please come along.
