

Kenmont Primary School Newsletter

AUTUMN EDITION 2

Wednesday 23rd September

Value of the month: **CARING**

Last week we had 'Meet the Teacher' video meetings with the class teachers. If you were not able to attend, the class teacher will have put the recorded meeting code on your child's google classroom. Homework will be put on google classroom for Years 1-6. Children in Reception will be given reading books. If your family are isolating due to having Corona Virus or Corona Virus symptoms, links to Oak Academy lessons and BBC Bitesize will be put on google classroom for your child to access. If your household does not have internet access or enough devices to access online learning, please contact the school so that we can support you with paper copies or IT access.

Music Mark

We are proud to share that Kenmont now holds the 'Music Mark'. This recognises the value that the school places on music and commitment to a broad and balanced curriculum. Well done to Mrs Latham for coordinating the music and singing at Kenmont.

Lost Property

Please make sure that your child's school uniform and PE kit is labelled clearly so if it is mislaid, we can return it.

Kenmont PTA

If you want to support the school, please contact the PTA Co-Chairs by emailing kenmontprimarypta@gmail.com

Water

Your child should bring a labelled water bottle to school and will be provided with drinking water by school staff and in the lunch hall. **School Meals**

Hot school meals resumed this week. We welcome any feedback by email admin@kenmont.lbhf.sch.uk

Communication

Parents and visitors are not permitted on to the school site. The school office phone line is open from 8:30am-4pm. We will continue to communicate with parents via ParentPay. If you have a question about your child's learning please use google classroom to make contact with the class teacher, if your query is urgent or private, please contact the school office and they will pass the message on to the relevant staff member. The teachers cannot answer emails during school working hours.

Google classroom

We now have google classroom log ins for all children. Next week, Ms Freitas will be emailing log ins to the parents of any children who started this academic year. Guidance has already been sent but can also be found on page 5 of this newsletter. Google classroom is best accessed on a PC or tablet.

School uniform

Black shoes must be worn to school. Children should not wear jeans to school.

Bags to school/ second hand uniform

We are unable to take any donations of clothes at this time.

Change of collection

If someone who is not an allocated contact is collecting your child, please inform the school office. We may ask for a password to be provided.

20 September 2020

Dear parents and carers

Schools and Covid

Schools are now open for the autumn term, and have welcomed back all the children.

If your child becomes unwell, you may sometimes find it hard to decide whether it is okay to send them in to school.

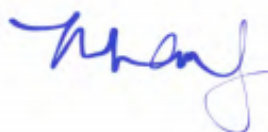

The children's doctors in North West London have come up with advice to help you decide whether to send your children in to school (see below).

Where the guidance says 'high temperature' that means 37.8 degrees centigrade or higher.

Remember

- If your child has COVID-19 symptoms, keep home from school. Dial 119 or use www.gov.uk/coronavirus for a COVID test. Self-isolate until you have the results.
- If no test is possible, isolate as per government guidelines. GPs/A&E can't provide COVID testing or a letter to allow return to school.
- Make sure your children are up to date with all their childhood immunisations (jabs), as diseases like measles and mumps are still around. If you aren't sure whether they're up to date with their jabs, ask your GP or practice nurse.

Yours sincerely

Dr Nicola Lang MBBS (Lond) FFPH

Clinical Commissioning Groups

Should I send my child to school?

A guide for parents and GPs

Would you have kept your child off school before the COVID-19 pandemic?

YES

NO

A "continuous cough" is coughing A LOT throughout the day and night, and is different from the cough that usually comes with a runny nose

Keep your child off school

Does your child have at least one of the following:

- A new continuous cough?
- A fever (high temperature measured with a thermometer)?
- A complete loss or change of taste or smell?

Are you concerned this is more serious than a cold (e.g. sepsis)?

YES

NO

Contact your GP, or call NHS 111 for medical advice. For urgent medical help, go to your nearest A&E or call 999

Monitor your child's condition at home, and seek medical advice if the condition deteriorates

Protect others: keep your child at home and off school. Dial 119 or go to www.gov.uk/coronavirus to arrange a COVID test. These tests not available at A&E or GP. Your child and household must self-isolate until you have the results

Does your child have an underlying medical condition, such as cystic fibrosis?

YES

NO

Speak to your child's specialist team about testing criteria if you haven't already spoken to them / received a letter telling you what to do

Children can otherwise go to school with: Runny noses, sore throats (without fever), or mild colds

Guidance to access google classroom

1. Go to the webpage `accounts.google.com/login`
2. Enter your child's LGFL username, followed by `@kenmont.lbhf.sch.uk`

For example if their username is **jon1198.205** you would type:

jon1198.205@kenmont.lbhf.sch.uk

The username is the LGFL username your child uses at school.

3. Enter their LGFL password (e.g Pencil7).
4. You are now logged on to google classroom. Select the icon with the 9 dots in the top right hand corner (google apps):

5. Click `classroom` on the drop down menu:

6. You then need to enter the class password, please note your child's class password is different to the one they used last academic year (see below):

Nursery: n6arvto

Reception: 4op6k3t

Year 1: wrtb2t6

Year 2: d6bzn4x

Year 3: Inxqz5k

Year 4: i2ahncl

Year 5: evrthre

Year 6: 53t3bw7

7. You are now able to access online learning set by the Kenmont teachers.

Please email admin@kenmont.lbhf.sch.uk if you have any problems after following these steps.
