AUTUMN EDITION 4

Friday 9th October 2020

Value of the month: Courage

Fire drill

On Wednesday 7th October, we had a whole school unannounced fire evacuation drill.

The whole school (children and staff) were out of the building and registered in 3 minutes and 45 seconds, which Mr Ward and Ms Kearns were very happy with. This is especially impressive as it was the first time that Nursery and our new Reception starters had experienced a drill.

We have reminded the children about the importance of evacuating in silence and we will have another practice this term.

Coronavirus guidance
