

Kenmont Primary School Newsletter

AUTUMN EDITION 9

Friday 20th November 2020

Value of the month: **Patience**

Virtual celebration assembly

In the assembly today Rui, Ryley and Cassidy from Year 4 shared their homework projects with the school. Rui needed three classmates to hold up his incredible art project of the Amazon, which included frogs on parachutes! Cassidy shared her PowerPoint presentation about the golden lion tamarin and Ryley explained how the sloth is an endangered species because trees are being cut down, making sloths vulnerable to predators.

We were then entertained with a role play from the Reception class, who have been learning about Diwali through the Rama & Sita story. They connected with characters and the drama of the story beautifully. Ms Martinez and Mrs Silva were so proud of the way the whole class participated. Well done Reception!

Value of the week certificates

Nursery: Isabelle

Reception: Whole class

Year 1: John

Year 2: Alex

Year 3: Basil

Year 5: Raphael

Year 6: Hal

Ventilation

Government guidance states that occupied rooms must be ventilated. This means classroom windows are open all day.

Please ensure your child brings their jumper or cardigan to school and wears either trousers or tights/leggings with their skirt or dress.

Packed lunches

If your child's meal arrangement is packed lunch, you may find the following link useful. It contains lunchbox suggestions, sugar swaps, tips and the Eatwell Guide <https://www.nhs.uk/change4life/recipes/healthier-lunchboxes>

Children should not bring any food containing nuts or fish and can only have water during school hours. Crisps and chocolate should **not** be included in packed lunches.

Attendance

WEEKLY ATTENDANCE

Week commencing
9/11/2020:

Class attendance winners:
Year 1 with 100%★

WEEKLY PUNCTUALITY

Week commencing
9/11/2020:

Class punctuality winners:
Year 3 and Year 6

Attendance champion of the week: **Abdulrahman, Nursery**

Odd Socks Day

Collection

To avoid overcrowding, we are asking adults to leave the gate area immediately after collecting their child. This will hopefully help to resolve the issue of adults standing in the road. We suggest queuing safely and orderly along the path. If you are waiting to collect another child, please cross the road until it is their collection time. Teachers are not able to hold conversations at the gate as they are dismissing children.

Vehicles should **not** be stopping outside the school gates, this is very dangerous. We have requested a road safety spot check from the local authority. Parents should avoid driving on Valliere Road, Kenmont Gardens and Rigeley Road at drop off/collection time.

Breakfast club

If your child is signed up to breakfast club, they must arrive between 8-8:10am.

Playcentre

Collection from playcentre is 5:45pm at the latest.

Playcentre number:
07741 739 441
