Emergency evacuation drill

On Wednesday we had whole school emergency evacuation drill.

The children exited the building safely and quietly. The whole school were outside and registered within four minutes. Mr Ward was very pleased with the evacuation and particularly impressed with the Early Years and Key Stage 1. We will continue to hold a drill once every half term.

Value of the week certificates

Nursery: Abdulrahman, for settling back into school really well, listening to his teachers and following instructions. He also plays nicely with his peers.

Reception: Sidney, for always making sure other children are happy and for always making excellent choices.

Year 1: Eden, for working really hard and being a lovely member of the class.

Year 2: Amalia, for working hard and not giving up when she finds the work tricky.

Year 3: Charlie, for always supporting his peers and being a superb role model

Year 4: Jim, for always being a responsible friend and trying his hardest at school.

Year 5: Paula, for being amazingly helpful and cooperative in class. Such a pleasure to teach!

Year 6: Zion, for settling straight back in and working really well across all subjects. It is a pleasure to have him back at school!

IMPORTANT MESSAGE FROM KENMONT PARENTS

Dear Kenmont Community,

You may have noticed that throughout the pandemic the drop off and collection times have become increasingly congested with vehicles using the road.

Frighteningly, there have been a few near misses, which prompts this polite notice.

Please will parents stop using Valliere Road, Kenmont Gardens and Ridgely Road for drop offs and collections.

If you live close by, please walk to school.

If you live too far away to walk, please park a 5/10 minute walk away from the school.

The PTA are investing in signage that will be clearly displayed at the school gates, but of course this will not work without your valued support.

This issue has been raised with the school, the governors, local Ward Officers and the local MP, eventually our hope is that the road will be closed at drop off/collection time or if this is not possible, martialled accordingly.
